Need secure access to the CAMEO website?

The secure side of the website is for investigators and clinical site staff on the CAMEO study.

To create your account:

- Go to <https://cameostudy.org> and click “Log in” at the top right of the screen.
- Select “Create new account.”

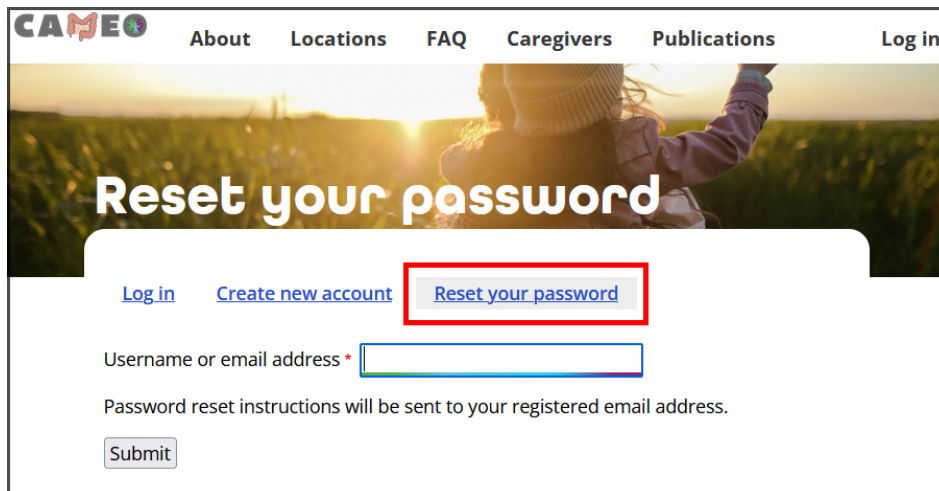

The screenshot shows the CAMEO website's account creation page. At the top, there is a navigation menu with links for 'About', 'Locations', 'FAQ', 'Caregivers', 'Publications', and 'Log in'. The main heading is 'Create new account'. Below this heading, there are three links: 'Log in', 'Create new account' (which is highlighted with a red rectangular box), and 'Reset your password'. Underneath these links is a form with three input fields: 'Email address *', 'Username *', and 'First Name *'. Below the 'Email address *' field, there is a note: 'The email address is not made public. It will only be used if you need to be contacted about your account or for opted-in notifications.' Below the 'Username *' field, there is a note: 'Several special characters are allowed, including space, period (.), hyphen (-), apostrophe ('), underscore (_), and the @ sign.'

- Fill out the online form to request a new account.
 - Please fill out the request form completely.
 - The email address used must be affiliated with your primary institution and not a personal email address (such as Gmail, Yahoo mail, AOL, etc.).
 - We may reach out to you or others at the affiliated institution to verify access.

Once your account request is received, an automated email with instructions to set up your password will be sent to you within 1-2 business days. **Please note that these emails may filter directly to your junk/spam folder.**

Resetting your password:

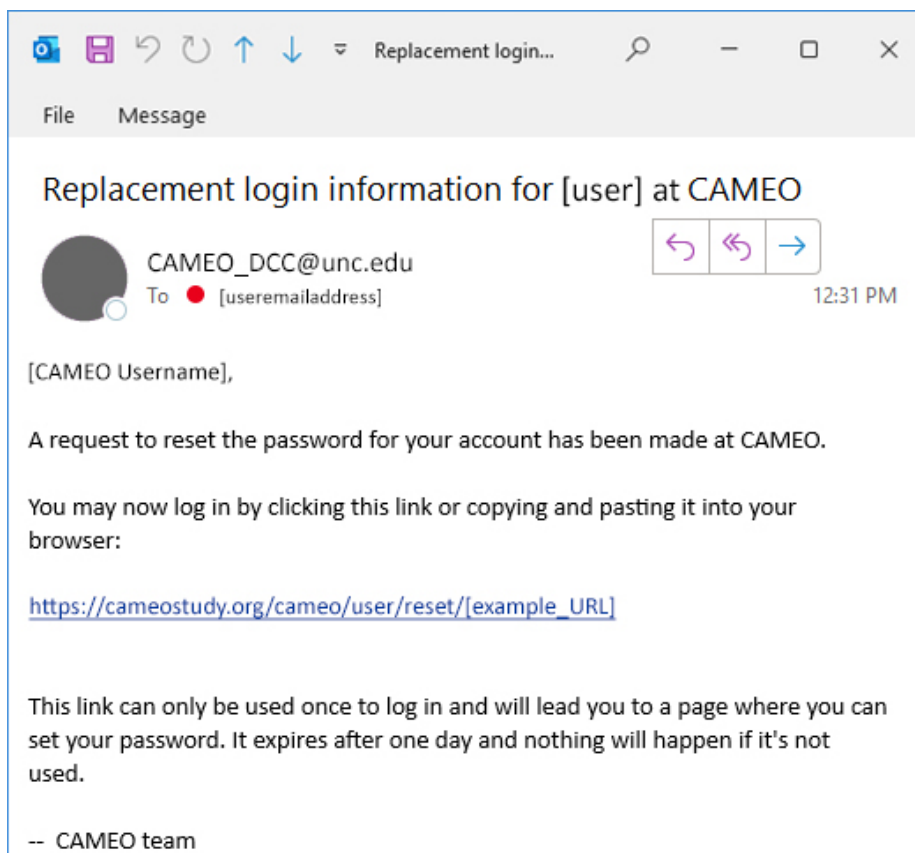

From the Log in screen at <https://cameostudy.org/cameo/user/login>, select “Reset your password.”

The screenshot shows the CAMEO website's password reset page. The header includes the CAMEO logo and navigation links: About, Locations, FAQ, Caregivers, Publications, and Log in. The main heading is "Reset your password". Below the heading are three links: "Log in", "Create new account", and "Reset your password", which is highlighted with a red box. There is a text input field for "Username or email address *", a note stating "Password reset instructions will be sent to your registered email address.", and a "Submit" button.
